

On test day, make sure you have an ID document and that you wear a mask. Temperature for each person entering the office will be checked at entrance.

For TCF Canada, we will need to take a picture of you on test day during that process only, you will not wear a mask.

Material will be cleaned, hydroalcoholic gel in automated dispensers will be available.

We have limited the number of candidates to two per test day.

For the safety of all examinees and test center staff, you will not be allowed to test if you answer "yes" to the following health screening questions on test day:

### Health Screening Questions

- Have you tested positive for the virus that causes COVID-19 in the last 14 days?
- Have you had any of these symptoms in the last 14 days?
  - Fever greater than 100 degrees
  - Difficulty breathing or shortness of breath
  - Cough
  - Chills
  - Muscle pain
  - Sore throat
  - New loss of taste or smell
- Are you experiencing fever, difficulty breathing or shortness of breath, a cough, chills, muscle pain, sore throat, or new loss of taste or smell at this time?
- Have you been in close contact with someone displaying these known symptoms of COVID-19?
- Have you been in close contact with someone diagnosed with COVID-19 or who has tested positive for the virus that causes COVID-19 in the last 14 days?
- Have you traveled outside the country or to any high-risk locations in the last 14 days or been in close contact with someone who traveled to high-risk locations in the past 14 days?

### We have an official electronic option to fill out the Health Screening Questionnaire:

Go to [go to MI Symptoms \(state.mi.us\)](https://state.mi.us)

Click on 'Take a wellness check'

Create a login (your email address + a password)

You will need to enter our company code: 2327-5100

The questionnaire is valid 24hours.

Before coming, you will need to log in to MI symptom and take the wellness check, so on the test day you can show a valid green screen.
